FOR IMMEDIATE RELEASE:

Verge Network Becomes Exclusive US Representative of Award-Winning 'Imaging Dogs' from Belgium

Nashville, TN – May 24th, 2011 – Verge Network, Inc., a syndicator of content and services to Radio Stations, announced it will now represent Belgium-based Imaging Dogs, an award-winning duo quickly building a global reputation for the most creative imaging and jingles. Modular options let Stations choose imaging, voiceover, and/or jingles on either cash or barter bases. Details are available on-line at www.RadioChanged.com.

VP/Sales for Verge Network, Grant Merrill (Grant.Merrill@RadioChanged.com),

commented "Pascal and Lex at Imaging Dogs have a fresh sound in a sound-alike world, and they're getting attention from New York to LA." "We make a living making noise. What could be better than that?" adds Pascal Standaert, co-founder of Imaging Dogs.

Clutter-Busting, True Brand-Making Creativity. The dogs have an old-school attitude about Radio, but an ear for what's next. Country, CHR, Oldies – they make it all sound fresh. **Modular Choices.** You pick and choose from three modules: imaging, voiceover, and jingles – to create the unique sound you want for your Station.. **Cash or Barter.** Pick the modules you want; then pick how you want to pay – choose from affordable cash or barter plans.

Imaging Dogs is the latest in a series of service and content agreements being announced by Verge Network. The Verge team is available by phone toll-free at (855) 99-VERGE and on-line at www.RadioChanged.com.
